Re: Ethicon/MDL Pelvic Mesh

Dear Tom:

Thank you for bringing to my attention that the TVT-O 510(k) submission (bates stamp Eth.Mesh.00019863-Eth.Mesh.00019924) was not the original regulatory submission but, was rather a copy of the original submission that had been obtained through a FOIA request. We are in the process of obtaining a copy of the original submission (rather than a copy of the FOIA obtained submission) and will forward that to you shortly.

Very truly yours,

Philip J. Combs
